PAWN WORLD ALERT!

On July 24th Arizona laws changed and are allowing Pawn Shops to charge 37% interest, and now many Pawn Shops are charging these new interest rates. We at Pawn World believe that these rates are to high for a 90 day loan. So we at Pawn World are still charging the same interest rates we have for the last 12 years, which is 22% for 90 days. Most Pawn Shops also charge a \$7.50 for lost tickets also on top of these fees the charge a \$5.00 a month storage for larger items.

Would you rather pay 68% more in interest and other fees for a pawn that is the same amount? The choice is up to you!!
